Professional Summary:

I am a result-driven and detail-oriented Software Developer with a year of specialized experience in Frontend development. I demonstrate proficiency in HTML, CSS, and JavaScript, showcasing my expertise in cutting-edge technologies such as React.js, Redux, Tailwind CSS, Bootstrap, and TypeScript. I am recognized for my ability to craft sophisticated, responsive, and user-friendly interfaces. In addition, I possess adept skills in implementing Next.js for seamless server-side rendering and leverage a robust stack, including Node.js, Express.js, and MongoDB, for comprehensive Backend development. I have a proven track record of successful collaboration within cross-functional teams, consistently delivering high-quality solutions.

Technical Skills:

Frontend Development: HTML, CSS, Bootstrap, Tailwind CSS, JavaScript, React Js,

Web Framework: NextJs.

Backend Development: Node Js, Express Js.

Database Management: MongoDB.

Version Control: Git/GitHub.

UI/UX: Figma, Miro.

Soft Skills: Adaptability, problem-solving, effective communication, empathy, collaboration, and team work.

Professional Experience:

Frontend Developer - HerTechTrail [Nigeria] [August 2023 - November 2023]

- Spearheaded frontend development projects, focusing on user interface design and functionality.
- Worked closely with UX/UI designers to translate wireframes and prototypes into interactive and responsive web applications.
- Integrated Tailwind CSS to streamline the styling process and improve overall design consistency.
- Collaborated with cross-functional teams to design and implement RESTful APIs, enhancing system interoperability.

FullStack Developer - LuTA [Lagos, Nigeria] [Feb 2023 - Present]

- Contributed to the development of RESTful APIs using Node.js and Express.js, interacting with MongoDB for data storage.

- Implemented responsive design principles and ensured seamless integration with backend services.
- Utilized React.js and Redux for state management, enhancing user interactivity and experience.
- Actively participated in code reviews and collaborated with team members to maintain code quality and best practices.

Education:

HND in Mass Communication - Rufus Giwa Polytechnic [Owo, Ondo state] [Nov 2019]
Relevant Coursework: Broadcast journalism.

Projects:

Landing Page: Developed a responsive landing page utilizing HTML and CSS.
